Ride Share

If user has input the final destination, Est. cost and travel time will be shown

When user taps anywhere on the card except call driver or cancel ride,

they will be taken to the Ride & Share feature page to see details of their ride.

The animation will be seemless that it will be a natural trasition bewteeen pages.

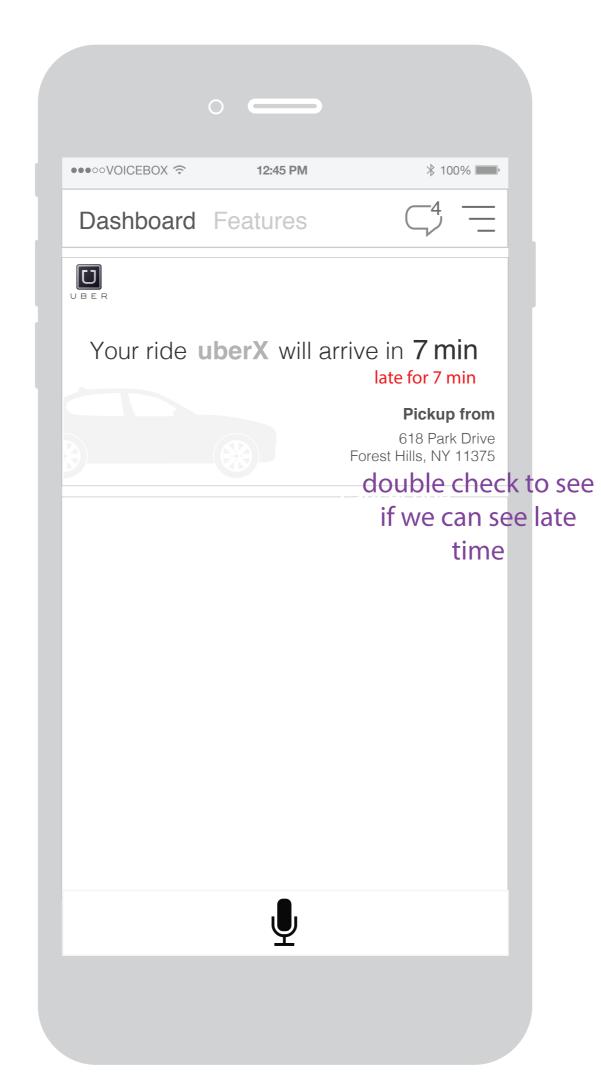

While the Uber app allows user to cancel anytime, a cancellation fee may be charged. The cancellation fee amount differs by city, ranging from \$5 to \$10.

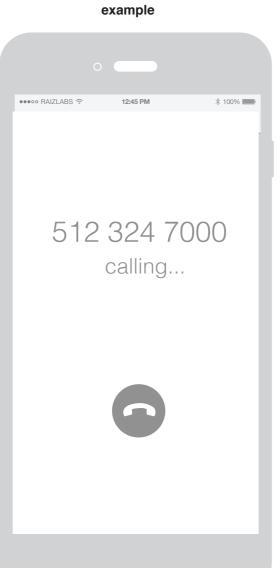

A ride request can be cancelled free of charge for up to 2-5 minutes after user's initial request. If driver is running more than 5 minutes behind the provided ETA, user can cancel the ride request without incurring a cancellation fee.

On uberPOOL trips, user may be charged a \$2 cancellation fee if user cancel anytime a driver accepts Riders not at the pickup location within 2 minutes of the driver's arrival may be charged a \$2 no-sho
